- _____ Home page; 30 – 50 words. Describe your business, mission, vision and values. Share what makes your business different from others. Or simply welcome your clients!
- _____ About Us page; 30 – 50 words. Introduce staff. Share staff photos. Or give a history of your business.
- _____ Contact Us page. Include your name, address, phone numbers, fax number and email address. We can even add a Mapquest map!
- _____ Services. List your services in a word document. Don't make it look pretty. Just list the service and the price. If you want to include a sentence outlining the service, that's fine too!
- _____ Products. List products that you sell. Send us pictures if you want. We will add up to 16 products for you and teach you how to add more. Or if you want to simply list your suppliers' websites, send us that information and we'll add their website with a hyperlink.
- _____ Monthly Specials. Send us 15 – 20 words outlining your special for the next month.
